The London Spanish Book & Zine Fair presents authors and publishers, showcasing artist's books, zines and related material. Talks, workshops, activities and signings will take place throughout the fair.

The London Spanish Book and Zine Fair is the first fair of its kind in London showcasing books and fanzines in Spanish. LSBF aims to generate a place for promotion and recognition of literature written in Spanish (bilingual/English) generating new links between authors, publishers and readers while at the same time serving as a meeting place of book enthusiasts. We believe LSBF will create a point of international reference in the next future.
